

November 1, 2025

Hello Friends of Our Lady of Guadalupe Chapel,

Since 1926, Our Lady of Guadalupe Chapel has stood as a spiritual and cultural cornerstone for Flagstaff's Hispanic community. For generations, it has been a place of worship, safe haven and celebration where faith and heritage intertwine in the heart of our city.

In 2026, we joyfully mark the **100th anniversary** of this beloved chapel. To honor this milestone, we are planning **two commemorative events** that will bring together parishioners, families, local leaders, and visitors in celebration of Our Lady of Guadalupe and the enduring legacy of the church built in her name.

We are seeking **financial sponsorship and in-kind contributions** to help make these events meaningful and memorable. Your support will directly fund cultural programming, community outreach, and event logistics all designed to uplift and engage the very audience your business serves. As a sponsor, individuals and organizations will receive:

- **Prominent recognition** in event materials, signage, and digital promotions (contingent on level of sponsorship)
- **Tax-deductible benefits** are available and our 501© (3) number will be provided upon confirmation of sponsorship
- **The honor of supporting a cherished community institution**

Whether through a monetary gift, donated services, or materials, your contribution will help us celebrate 100 years of faith, unity, prayers, tradition and community support.

Event Dates: May 16, 2026 (Mass & Fiesta) and December 12, 2026 (Mass & Reception), *times to be announced*

Locations: Our Lady of Guadalupe Chapel and San Francisco de Asis Parish, Flagstaff, AZ

We would be honored to speak with you about sponsorship opportunities and how your support can make a lasting impact. Please feel free to contact us to begin the conversation. Visit our website for updates:
